- Corrugated Cardboard * – Separated from Newspapers, Magazines, and Junk Mail
- #1 Plastic food and beverage containers
- #2 Plastic food and beverage containers
- All Glass food and beverage containers
- All Metal food and beverage containers
- All Aluminum cans
- Aluminum foil and foil containers

The following specific items **CAN NOT** be recycled in your recycle bin:
(Please note that this list is not all inclusive)

- Plastic bottle tops
- Hangers – Plastic or Metal
- #2 Plastic Buckets
- Laundry baskets, toys, recycle bins
- All plastic grocery bags

At the Transfer Station Recycling Center -

- All items that can be recycled in a residential recycling bin can also be brought directly to the Transfer Station Recycling Center.
- Many items that are not recyclable in a residential bin may be recycled if brought to the Town of Westport Transfer Station located at 300 Sherwood Island Connector. Included are other metal goods such as barbeque grills (less tank), lawn mowers (less fuel/oil), metal yard furniture, and basically any other type of scrap or unwanted metal item.
- Used motor oil, antifreeze, all household electronics, batteries of any type, and fluorescent bulbs can also be recycled at the Transfer Station Recycling Center.

Please refer to the Town Web site (www.westportct.gov) for further details concerning recyclables and other disposal needs.

*Small quantities folded and tied with twine. If you are contracted with a private hauler, check with your hauler. Recycling Bins are available at Town Hall, Room 210 for \$10. Any questions should be directed to the Department of Public Works. Call 341-1120.
