

Kempo Academy of Martial Arts

Grades 1 - 5

We are happy to welcome Kempo Academy to our martial arts family. Kempo Academy has put together a program for young children that revolves around teaching discipline, focus, confidence, self-control, and respect. The faculty of the Academy has created a highly successful teaching technique that incorporates character building philosophies with traditional martial arts training methods. The Academy also looks to help students establish healthy lifestyle habits at an early age.
