

# **TOWN OF WESTPORT**

## **Policy regarding Parking Violation Hearings**

**Connecticut General Statute 7-152b requires the traffic authority of each Town to appoint a hearing officer who must not be an employee of the Police Department.**

**The Westport Traffic Authority has appointed Attorney Robert Grant to act as the hearing officer.**

### **POLICY**

**Anyone who has received a parking violation ticket within the Town of Westport may apply for a hearing in person at Police Headquarters or request that an application be mailed. In order to receive proper attention it is essential that anyone requesting a hearing complete the entire application. The returned application must be received within 14 days from the issuance of the ticket.**

**All applications for a parking ticket hearing will be reviewed. Upon this review, the parking ticket is either voided, necessitating no further action, or a date is assigned for a hearing. In either case, the individual shall be so notified by mail.**
