Fee: \$170 per camper, per session

Camp Compo is happy to offer seven, one-week camp sessions this summer. A spectacular summer camp program, Camp Compo offers children a variety of activities throughout the summer. The camp specializes in offering a well-balanced core of activities daily that includes arts and crafts, sports, games, nature walks, yoga, beach and playground time and field trips during certain sessions. Camp Compo offers every camper the chance to be creative and explore their imagination while making new friends and enjoying a positive camp experience. Several different special events will highlight each week as well. Each camper must bring their own lunch and several drinks for the day plus towel, bathing suit and water shoes. Severe inclement weather will cause the camp to cancel for the day or shut down if the program is already in progress. There are no group placement requests accepted. *All field trips are subject to change.*
