

MINUTES OF MEETING OF RTM FINANCE COMMITTEE AND LIBRARY, ARTS AND MUSEUM COMMITTEE

July 15,2019

Iain Bruce, Library Trustee presented the library's request for \$141,000. This money is the balance of monies the library has given the town capital fund over the years. The library raises about \$100,000 in each book sale. They need \$250,000 to build an annex which can accommodate books that are donated, allow them to sort, store and sell books all year. Generally 300 volunteers work at each outdoor sale. The additional \$110,000 needed will be raised.

The Finance Committee endorsed the request unanimously. The Library Committee voted 4-0 to endorse the request.

Lois Schine, Chair of RTM Library, Arts and Museum Committee
