

Tot 'n Play

Welcome to the Westport Parks and Recreation's Tot 'n Play program offered through Integrated Sports Training. This exciting and action-packed camp is located at Burying Hill Beach. Campers will work with IST's pro staff and be introduced to different sports and activities, play games, participate in arts & crafts, and more! Each week focuses on a fun theme, which will connect the activities and arts & crafts for that week. Our structured, action-packed program allows plenty of room for creative individuality and varying ability levels in a non-competitive environment. Tot 'n Play is run by Amanda Rothlein, who earned her masters degree in Early Education from Fordham University and spent seven years as an elementary teacher in the NYC public schools.
