THE WESTPORT GREEN BUILDING AWARD FOR ACHIEVEMENT IN SUSTAINABLE DESIGN AND CONSTRUCTION

Introduction

The Westport Green Building Award for Achievement in Sustainable Design and Construction recognizes projects that make, or have made significant contributions to sustainability and Westport's future as a Net Zero* Community. This award acknowledges noteworthy accomplishments that add benefit to the Town and its residents.

Net Zero by 2050 resolution, passed by Westport RTM in September 2017

Be it resolved that the Town of Westport shall commit to using its best efforts to continue to support climate action to meet the Paris Agreement and become a Net Zero community by the year 2050, where the community has reduced its impacts across energy, water and waste so that they are sustainably managed, using approaches that are economically viable, of social benefit, and environmentally responsible.

Eligibility

All Westport properties are eligible to receive this Award.

Nominations must be related to advancement of the Town of Westport goals and policies.

Timeframe

Applicants will be considered on a rolling basis, and awarded throughout the year. All applicants are invited to attend an annual award reception and open house at Earthplace, the Nature Discovery Center.
