

DEPARTMENT OF FIRE SERVICES
Fire Marshals Office (203) 341-5020
Fax (203) 341-5009
Nathaniel Gibbons, Fire Marshal

Design professionals submitting plans for review to the Fire Marshal's Office shall use the current codes in effect for their designs.

The Design Professional shall list by name all Codes used in the design on the Code Analysis Sheet or cover page of the plan set.

Building Code information is not listed on this page and may be found at the Westport Building Department site.

Primary Fire Codes in Effect 5/1/18

- 1) Connecticut State Fire Prevention Code (4/30/15 effective date) NFPA 1 (2012)
- 2) Amendments to the Connecticut State Fire Prevention Code
- 3) Connecticut State Fire Safety Code Part III (10/1/16 effective date) IFC 2012
- 4) Amendments to the Connecticut State Fire Safety Code Part III
- 5) Connecticut State Fire Safety Code Part IV (10/1/16 effective date) NFPA 101
- 6) Amendments to the Connecticut State Fire Safety Code Part IV

Significant Sub-Codes in Effect 5/1/18

There are 136 sub-codes referenced in the codes listed above. A full list is printed in Chapter 2 of each code book. These five are the most commonly used codes in reviewing building permit applications:

- 7) NFPA 13, 13D, 13R (2010) Installation of Fire Sprinklers
- 8) NFPA 54 (2012) National Fuel Gas Code
- 9) NFPA 70 (2011) National Electric Code
- 10) NFPA 72 (2010) National Fire Alarm Code
- 11) International Mechanical Code (2012) with Connecticut Amendments
