

List of Acceptable & Non-Acceptable Household Hazardous Wastes

Before bringing hazardous household items to the collection site:

- Make sure items are clearly labeled and NEVER MIX CHEMICALS, Incompatible products may react, ignite or explode, and mixed waste may not be recyclable.
- Keep products in original labeled container.
- Tighten lids of all containers and pack items in sturdy cardboard boxes lined with newspaper.
- Place leaky containers in clear plastic bags.
- Put boxes in the trunk or in the back of the vehicle away from passengers.
- Leave pets and children home when bringing hazardous materials for collection.
- Keep your windows open and drive directly to the collection site.
- Do not smoke or eat while handling hazardous materials.
- NEVER ACCEPTABLE: AMMUNITION, EXPLOSIVES, FIREWORKS, FLARES, RADIOACTIVE OR BIOLOGICAL WASTES, COMMERCIAL HAZARDOUS WASTE or PROPANE TANKS.
