### **Westport Police Department to Accept Appointments for Fingerprinting Services**

The Westport Police Department announces that it now allows for those seeking our fingerprinting services to make appointments in advance. This change is being made to help alleviate wait times and to better coordinate the provision of these services to the public by our officers.

Fingerprinting is and will continue to be conducted at police headquarters on both Tuesdays from 10:00am to 1:00pm and Thursdays from 1:30pm to 4:30pm. Appointments are offered in ten minute increments during these timeframes. A link to the site on which appointments can be made has been included below.
