Press Release

Traffic Advisory for Tuesday October 29th

The Westport Parks & Recreation Department in conjunction with the Westport Police Athletic League and the Westport Downtown Merchant's Association will be holding its annual Halloween Parade in the center of town this coming Tuesday (10/29). This is a very popular event that attracts hundreds of people. To accommodate the large volume of pedestrian traffic, several roadways in and around the parade route will be closed during the event. The following roads will be affected: Main Street will be closed from Post Road East to Avery Place starting at 2:30 p.m.; Avery Place will be closed starting at approximately 3:00 p.m., and; Myrtle Avenue from Evergreen Avenue to Main Street will be closed starting at approximately 3:00 p.m. All roads are expected to re-open by 5:00 p.m.

Motorists should expect delays in the center of town due to these closures. The police department asks that motorists use extra caution when driving through the area.
