RE: 4 Hockanum Road

Dear Ms. Mozian,

A site inspection of 4 Hockanum Road was conducted on April 28, 2020 to evaluate the previously flagged wetlands boundary. The delineated wetland boundary is shown on *Map of Property Prepared for Andrew S. and Michelle M. Ludel, 4 Hockanum Road, Westport Connecticut* dated September 10, 2007 and prepared by Hammons LLC Land Surveyors and Engineers. According to the Survey, the wetlands were delineated by William Kenny Associates, LLC on July 19, 2007.

The evaluation was conducted by walking the property and examining the upper 24 inches of the soil profile with a spade and auger in selected areas. Based on our field evaluation, it is our professional opinion that the delineated boundary shown on the survey map is accurate.

Sincerely,
