And again, I thank you for these further instructions.

- There are many Westporters, not just immediate neighbors, most upset about this property.

Sadly, they do not know about this meeting/hearing - let alone how challenging it is to now participate in PUBLIC hearings these days.

There have been folks suggesting the Town purchase the land and use it for more beach access for all, or kayak & paddle board storage, more parking for Town beaches, etc., all wonderful suggestions, folks have gone so far as to say they would happily contribute great funds to GIVE to the Town so the town has the dollars to purchase, and take the thing down. One spot to social media would draw lots of attention.

Cordially,
Stacie C.
