I own the building and land across the street from 233 Hillspoint Rd where Joey's by the shore resides...222 Hillspoint Rd. The ZBA's argument as to the fact that what was submitted and what was built are night and day is spot on.

The original plan including cosmetics, fit with the look and quality of the neighborhood. What sits there now does not. This will do nothing but adversely affect all of us around the property in an adverse way. This will affect the town's property tax log as well when values are decreased if this plan is approved.

This property needs a complete re-do.

Like Chris, Robin, and Rhôna, i as a residential and business property owner have full faith in this committee to do the right thing for the neighborhood, beach goers, and citizens of Westport.

Thank you,
Hal Kravitz
