To ZBA & P&Z,

Be advised, as the only Residential Property owner Adjacent to the project at 233 Hillspoint Road, apparently, the required sending of NOTICE of the request for a Variance was overlooked by 233 Hillspoint LLC.

It is becoming more apparent, the people involved with this project have absolutely no regard for what is proper procedure. Rather than follow the Rules, this group's behavior is to merely run rampant, without doing what is required; build whatever they want without permission; and without regard for neighbors, the neighborhood, and many other folks in the Town.
