Dear members of the ZBA -

I also urge you to enforce our zoning regulations and deny any variances after the fact. The zoning process is stringent for a reason and should not be ignored. Disregarding approved plans and instead seeking forgiveness for blatant and deliberate circumvention of the regulations puts the entire process at risk. Thanks for your consideration.

Dear Members of the ZBA-

I urge you all to vote down any variances of this group presented to you on [233 Hillspoint Road](#).

The bottom line, these folks took a zoning approval and "blatantly" broke the rules by NOT adhering to what was "APPROVED."

You will be sending the wrong "message" and setting a new "precedent" that it is "OKAY TO BUILD ...THEN ASK FOR FORGIVENESS."

Please vote to deny any modifications other than adhering to original, approved plans by our Planning and Zoning Commission.

Respectfully,
