Subject: 3 Snowflake Lane Variance for Pool

Dear Planning and Zoning Department,

I have been a resident of Westport for 35 years, and for the past 12 years I have shared a property line with Kristen and Paul Ledenko. I am at 6 Fraser Rd in Westport, and my rear property line is shared with them. I am writing to express my support for Kristen and Paul in their effort to receive a variance to install a pool. During these 12 years, they have been incredibly warm, respectful and most importantly take pride in their property. I expect this project to improve their landscape which will positively impact the neighborhood. They have a young family and we are excited to see them build great memories with their pool.

If you have any questions, please feel free to reach out.

Best regards,
Lance Lundberg 203 253 2580
