Dear Planning and Zoning Department:

I have lived on Snowflake Lane for 18+ years and I have had the pleasure of Kristen and Paul Ledenko as my neighbors. They are wonderful neighbors and have worked very hard to improve and maintain the appearance of their home and their property. I understand they have applied for a variance to install a pool in their back yard, and I can say without reservation that I support you granting their request. I will have a direct line of site to their proposed pool site and it will represent a continued beautification of their property.

Sincerely,

Alan Schmerzler
