Dear ZBA members:

I empathize with my neighbor's unusual lot configuration and have no objection to you granting a variance so that the Lendenko family can have a normal size pool on a 2 acre property.

For the record, 3 Snowflake and 5 Fraser Rd are likely the only properties in this neighborhood that do not already have a pool! We had 4 consecutive weeks of 85-95 (daily high) temperature this summer, including the week following the hurricane where the neighborhood had no power for 7 days until a crew from Canada arrived.

Thanks for you consideration.
