Michelle:

I have no comment other than to state that the elimination of the cap is consistent with a policy that favors housing diversity and fairness.

Hi Pete,

Did you have a chance to look at this text amendment proposed by the Commission to remove §4-5, Maximum Multi-Family Dwellings? Mary asked me to follow up with you for comments. The packet has to go out tomorrow but if that's not possible any comments before next Thursday would be much appreciated.
