Hello,

I received a notification in the mail regarding the proposal for sewer extension to service Whitney Street, Roseville Road, etc.

I live at 133 Roseville Road, which abuts the petitioning area. I am in favor of the proposal. However, I would like to request that the proposal extend service further up Roseville Road to include my property. While I am sure such an extension is not without difficulty, it seems unfortunate to continue to leave the majority of our major road without sewer service.

Thank you for considering my request.
