Dear Westport Planning and Zoning Commission,

I'm writing to express my strong support for the Westport Planning and Zoning Commission's proposed text amendment to eliminate the cap on multifamily housing in our zoning regulations, as discussed during your June 11 work session. It is past time to eliminate this outdated rule which artificially limits the creation of a diversity of housing types in Westport.

I have been a resident of Westport, Ct for the past 13 years. I am thrilled about the movements happening on P & Z that will create a more equitable town committed to extinguishing policies that have led to segregation. I will finally be able to say I am proud to live here.

Sincerely,

Catherine Lewis
